

A Brief History of Lakeside

Lakeside Fish & Chips began for the Leese family in 1987 in the heart of Hamworthy. Brothers Wayne & Jason perfected their frying skills turning around a run down Fish & Chips takeaway into arguably the busiest Fish & Chip takeaway in Dorset.

Wayne & Jason have always yearned to find the perfect site in Poole where we live & love, in 2010, this restaurant was purchased on the shores of Poole Harbour. We welcome back all of our old & new customers to enjoy the perfect national dish in the best surroundings with great service & a warm welcome.

Lakeside Sustainable Policy

We are passionate about our environment bringing us to be the only Fish & Chip Restaurant in Dorset with MSC Certification so we are proudly using the Blue Fish logo.

We only source our Cod, Haddock and Plaice from MSC (Marine Stewardship Council) managed fisheries. We source fresh local specials from Poole bay boats such as MSC Clams when in season. It's good to know your fish and chips will be here for the next generation with our dedication to sustainability.

Always use the Blue Fish Logo to guarantee its sustainable. Please ask a member of our team where your fish came from today.

Our MSC code is MSC-C-53712
